11. Initial assessment and Induction

Approved Centres will need to undertake an initial assessment of each Learner prior to the start of their programme to make sure that the level and type of qualification is appropriate. The initial assessment should identify any specific needs that the Learner may have and the support and guidance they will require when working towards the achievement of their qualification. CIBTAC recommends that Learners undertake a relevant induction programme to familiarise them with the requirements of the qualification they will be undertaking, their responsibilities as Learners and the responsibilities of the approved Centre. A learning contract or professional development plan may be useful in this respect.

12. Entry Requirements

Learners will have a Level 3 beauty therapy qualification or CIBTAC Level 3 Certificate in the Principles of Cosmetic Practice and/or be working in the beauty/aesthetics industry, be a nurse, doctor or other health care professional, however they may also be taking this

course as a way of gaining access to the sector. Learners are required to be 18 years of age.

- if English is not the applicant's first language, an English language level of International English Language Testing System (IELTS) 6.5 or 7.0 (depending on the education provider's requirements) in all components or equivalent will be required

13.2 Each Learner is responsible for preparing each case of RPL
